Using the IT specification supplied by the Disclosure and Barring Service (DBS), Security Watchdog has produced an online disclosure system, eBulkPlus, which is an alternative to the standard paper forms, therefore allowing you to complete your application at any location with internet access.

Our online service is committed to protecting the privacy of our users. When you supply any personal information to this site we have legal obligations towards you in the way we deal with your data as follows:

1. We will hold your personal information on our systems for as long as needed to meet the service you have requested, and remove it in the event that the purpose has been met.
2. We will ensure that all personal information supplied is held securely, in accordance with the UK Data Protection Legislation and the European General Data Protection Regulation (GDPR).
3. We will provide a safe and secure experience for users of this site.

We will treat your personal information as confidential and we will not disclose it to any third party except: (i) with your prior agreement; (ii) as necessary for providing our eBulkPlus online disclosure service to you; or (iii) as required by law.

Any organisation which uses this eBulkPlus online disclosure service is obliged to sign a service contract requiring them to:

The Disclosure and Barring Service will refer the details provided on this application form to government and law enforcement bodies in accordance with any relevant legislation. The details provided to these bodies will be used for identifying possible matches to records held by them. Where such a match is established, data may be released to the DBS for inclusion on any certificate issued. The details provided on this form may be used to update the records held by the bodies specified above. The details provided on the application form may be used to verify your identity for authentication purposes. Application Pre-entry Statement

You will now see the application pre-entry statement; this gives concise information in regards to the requirements by the DBS regarding acceptable identification in support of your DBS application.

A key requirement of the Certificate process through the Disclosure and Barring Service (DBS) is for your identification to be verified by the organisation requesting this Certificate on you.

If you do not hold at least one of the identification documents listed below you should seek clarification from the organisation requesting this Certificate on you prior to starting your application as you may not be able to submit your application online.

- Current valid Passport (Any country)
- Biometric Residence Permit (UK)
- Current Driving Licence (UK, Isle of Man/Channel Islands) (full or provisional)
- Birth Certificate (UK & Channel Islands) - issued within 12 months of your date of birth

Sometimes, we might be required to undertake an External ID Verification Validation check. If so this is undertaken independently and may require your consent.

Please read the document DBS list of acceptable identification for details about the identification we require. You can get further guidance about the DBS Certificate process at www.homeoffice.gov.uk/dbs.

Please note, only English language applications can be submitted online - Welsh language applications must be submitted using the paper application route. If you require your certificate to be produced in the Welsh language please do not continue with this online application and contact the organisation requesting this application on you as a Welsh language application form must be completed and submitted to the Disclosure & Barring Service.

Privacy Policy - standard/enhanced checks declaration

I have read the Standard Enhanced Check Privacy Policy for applicants [https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/60323](#) and I understand how the CBS will process my personal data and the options available to me for submitting an application.

Consent to obtain a DBS standard/enhanced check certificate result

I consent to the CBS providing an electronic result directly to the registered body that has submitted my application. I understand that an electronic result contains a message that indicates either the certificate is blank or to await certificate which will indicate that my certificate contains information. In some cases the registered body may provide this information directly to my employer prior to me receiving my certificate.

Declaration by Applicant

I confirm that I have provided complete and true information in support of this application and understand that knowingly making a false statement for this purpose is a criminal offence.

Security Matching Statement

If you do not provide your consent to any of the statements above, please contact your employer as your application cannot be submitted online and may need to be submitted via a paper application.

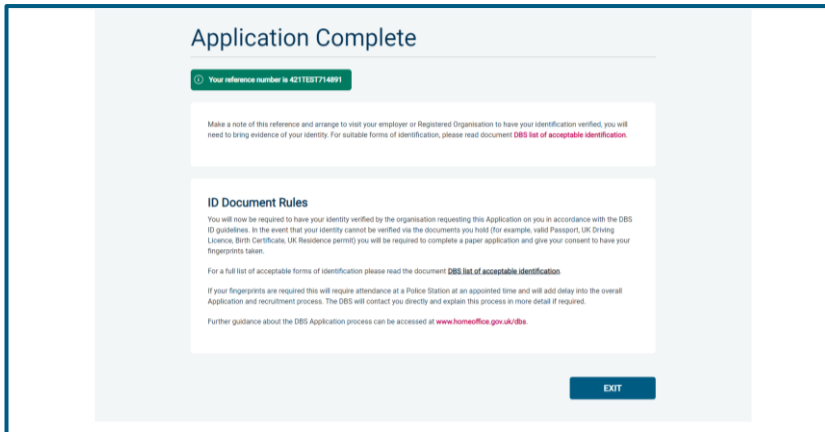

Please Note: If you are submitting this application on behalf of the applicant, you will need to obtain a signed and dated consent declaration from the applicant agreeing to all of the statements outlined above.

PREVIOUS **COMPLETE**

Now click ‘Complete’.

Complete Application

You have now completed your application form and you will be given a submission reference number. **Please make a note of this number for reference purposes.** If you entered an email address onto your application form you will receive a confirmation email containing these details.

Your application form will be processed by your employer once they have verified your identity. Please see below for guidance on identity verification.

Next step - identity verification

In line with the DBS code of practice all applicants requiring a DBS check must have their identity verified.

How do I have my identity verified?

There are two ways in which your identity can be verified, either digitally and remotely via our certified identity service provider (IDSP) or by providing original identification to your employer. Your employer will inform you how they wish to verify your identity. If you are verifying your identity digitally, you will receive a unique link by email to upload your documents and a selfie to our IDSP platform. If you are verifying your identity manually, please provide original identification to your Company's Nominated Person (usually Recruitment or HR Manager) and provide identification as listed in the acceptable ID table (see table below). Your application form will be processed by your employer once they have verified your identity, and then sent onto the DBS.

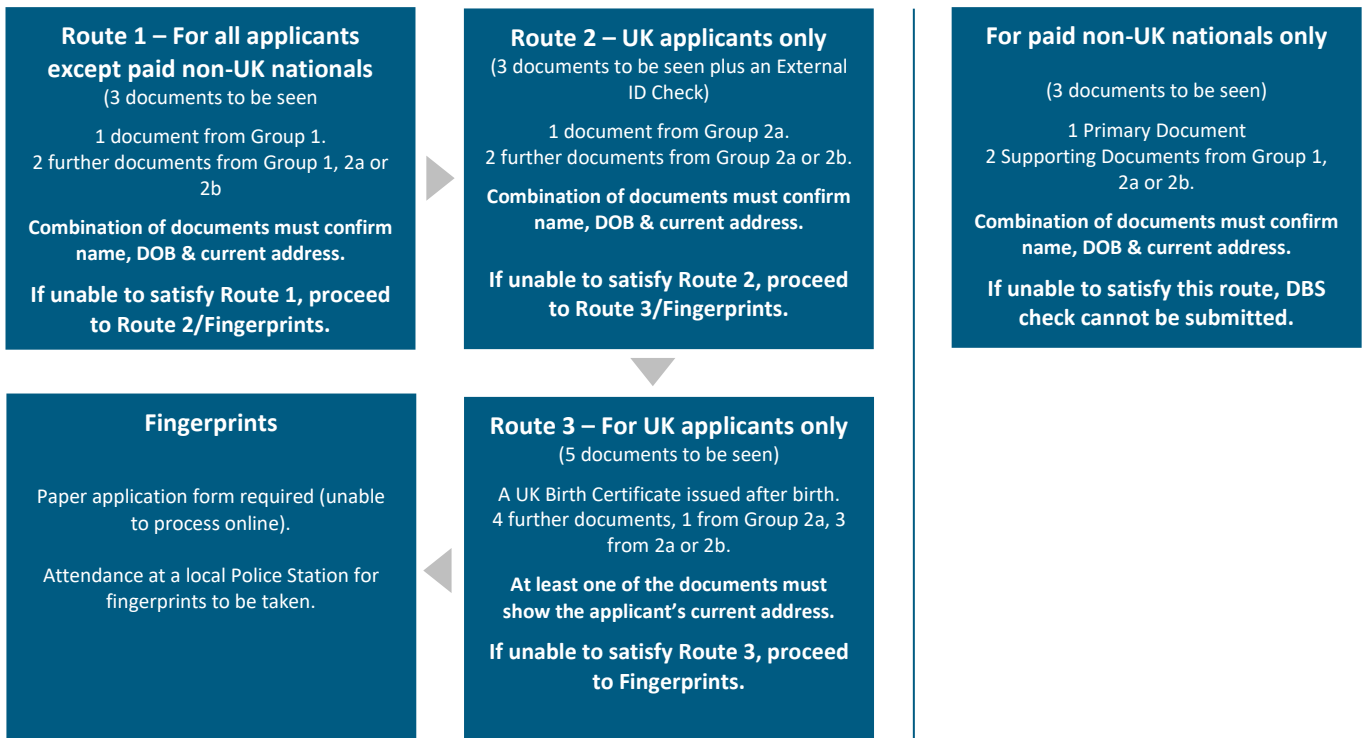

Tracking the progress of your application with the DBS

If you supplied an email address whilst entering your application, as soon as your application has been received at the DBS and is assigned a DBS Application Reference number you will receive a second email detailing this information. This email will also include details and links to the DBS website to enable you to track the progress of your application from the moment the disclosure process commences.
